

## **Police not investigating “war crimes” 05-09-13**

Hawai'i Police Department  
Office of the Chief  
Chief Harry S. Kubojiri

### **Media Release**

A May 7, 2013, “press release” sent by attorney Dexter Kaiama to local media sources claims that certain state judges, attorneys and others are under investigation by the Hawai'i Police Department for alleged war crimes based on their role in foreclosure proceedings.

The Hawai'i Police Department recognizes Mr. Kaiama's First Amendment right to express his beliefs regarding Hawaiian sovereignty; however, the representations as to the Hawai'i Police Department's involvement in the investigation of alleged war crimes are inaccurate. The Police Department is conducting no such investigation.
