**Filer:**

**Document Number:** 218(No document attached)

#### Docket Text:

**EO: On 2/24/22, counsel for amici curiae Water Protector Legal Collective, International Association for Democratic Lawyers, and the National Lawyers Guild filed a [ECF [217]] Motion for Leave to File Letter Supplement to Amended Amicus Curiae Brief ("Motion" or "Motion to Supplement"). The Court carefully reviewed the Motion and the proposed supplement and notes that the letter sought to be supplemented is identical to the [ECF [213] & [214]] letter submitted to the Court on 2/18/22. Pursuant to this Court's 2/18/22 [ECF [214]] Entering Order, the letter was disregarded.**

**The amici curiae now attempt to resubmit the letter with a Motion to Supplement. However, the substance of the letter has not changed. The letter is still not being submitted in support of any moving papers, not all drafters of the letter have been approved as amicus, and the movants do not provide any concrete information as to why the letter is even needed. The Court thus DENIES the Motion to Supplement.**
